Dear Mike,

Thank you for your recent donation of gallery grade photo prints, which you have valued at \$5,000. Your donation is extremely generous, and we thank you for thinking of us! Your support of Foothills Animal Rescue (FAR) allows us to continue our mission of helping homeless pets in our community.

Earlier this summer we shared the story of Dolly; a pregnant stray who was found and brought to our Campus by a City of Scottsdale employee. We posted “found dog” flyers and notices, but no one came forward to claim the sweet Pug mix.

When Dolly gave birth to five healthy pups, we were in the midst of a pandemic. It was hectic. The Campus and both Resale Boutiques were closed, and we were trying our best to navigate through COVID-19.

Despite whatever was going on around us, Dolly and her puppies served as a constant reminder of FAR’s mission. Visiting with them gave our team a chance to relax, reflect and be grateful. Each day we watched as the babies grew and achieved various milestones. Dolly was just what we needed to get through some of our most challenges times.

I am happy to report that the babies grew into healthy, roly-poly puppies. It is no surprise that they were all adopted. Our greatest gift was the day that a young couple made an adoption appointment to meet Dolly. Like us, they fell in love with her. Saying goodbye to Dolly was bittersweet, but her new family has promised to share updates and photos. There were tears, but we thanked Dolly for helping us get through the summer.

And thank YOU for supporting us and the work that we do!

Warmest regards,

Melissa Gable
